

Mobile Patrol Services Offered by Proactive Security Services

Proactive Security Services provides patrol officers 24 hours a day, 7 days a week to many local businesses in your area. Mobile Patrol Services can:

- Deter Criminal Activity
- Identify safety hazards such as broken lights, etc.
- Identify tenants in violation of community policies
- Identify routine maintenance issues such as broken sprinklers

Basic Patrol

A Uniformed Proactive Security Services Officer, in a marked vehicle, will check the premises for signs of illegal activity, community policy violations, safety hazards and routine maintenance problems such as lights that are not working properly, damaged property, etc. Irregularity and incident reports will be issued as appropriate. Patrol hits will be conducted at random times during a preset time frame. Cost: Starting at \$200 per month for one hit per day, 7 days a week. Example: Three hits per night would be \$600 per month.

Multi Property Discounts – if you have multiple properties to be serviced Proactive Security Services may be able to offer you a discount based on the number of properties to be serviced. Please call for a quote.

Additional Services

The following services may be added to basic patrol for the prices indicated.

- **Lockup/Unlock** – patrol officers may lock up or unlock certain facilities such as pools and club houses in conjunction with a patrol hit. Lockup and unlocks can be done during a designated time frame such as 10 to 10:30pm. Cost: Starting at \$100 per hit per month based on number of locks.
- **Property Walks** – patrol officers can exit their vehicles and walk the property in order to provide a greater presence during their patrol checks. While walking the property the patrol officers can check to ensure doors and gates are properly secured, check high risk areas to ensure they are clear of any unwanted activity and provide on-site security presence. Cost: Starting at \$100 per hit per month based on size of property.
- **Daily Activity Reports** – patrol officers can provide a daily activity report of each patrol check during the night. This report can be left at a predetermined location such as the office mail slot, so that the property manager has a daily report of all activities. Cost: Starting at \$100 per hit per month.
- **Calls for Service** – if desired Proactive Security can respond to calls for service from tenants at designated times during the day up to 24 hours per day, 7 days per week. Proactive will dispatch a patrol driver when a tenant calls for a security related issue and a service call report will be completed. Cost: \$15 for the first 30 minutes and \$25 per 30 minute increment thereafter.
